Bill's Commitment To NARI Is Unwavering

“An example of Bill’s commitment to NARI was when Bill stepped in as President ‘on a dime’ [2021-2023] and hit the ground running”

Passion...

Bill brings the same passion that he shares for his own business, Barefoot & Company, a Builders FirstSource company, to the NARI Board.

Devotion...

Bill is devoted to developing our chapter and the people that make up our membership and serve on our leadership teams.

“While traditional leadership generally involves the accumulation and exercise of power by one at the “top of the pyramid,” servant leadership is different. The servant-leader shares power, puts the needs of others first and helps people develop and perform as highly as possible. Bill Green has grown our chapter by not only leading but also being a mentor. He participates in every event for our organization and ensures people understand the value they are bringing and how important their time and contributions make to the construction industry and our community.”

Bill Reflects NARI's Core Values...

- ▶ **Professional:** Bill has won the Charlotte Chapter Business-Person of the Year award, recognizing his reputation as a trusted professional and the business acumen you can expect when fortunate enough to work with him.
- ▶ **Welcoming:** Members have gotten accustomed to expecting Bill's smile upon arrival at NARI Charlotte events, and guests experience immediate warmth in his greeting.
- ▶ **Resourceful:** Bill has a history of leveraging contacts, connections, and spheres of influence to deliver on NARI initiatives. For example, when developing a curriculum for The Boy Scouts Explorer's program, to advance our Workforce Development efforts, Bill secured instructors and venues from clients of his to support the program.
- ▶ **Member Focused:** Bill is "good at being a member" and an evangelist for the chapter. His enthusiasm enhances the member experience for others, which supports chapter growth and retention.
- ▶ **Volunteer Driven:** Bill's is the first hand raised when we're looking for volunteers, resources, or partners to support our philanthropic, programs and branding efforts.

Infectious Enthusiasm...

Bill is the first to invite new people to join and enjoy the benefits of NARI. Because he is so well-liked and respected in the Charlotte remodeling community, he has attracted some of our strongest members!

Caring...

Bill's generosity and caring nature drive him to give back through the NARI - Jim Harkey Memorial Fund. Bill recently took on the leadership role of this fund and carries forth the tradition of affording scholarships to NARI members' children and young people interested in trade careers. This fund actively engages past presidents, keeping them active in NARI events and philanthropy.

Supportive...

Bill generously supports all our events! Here you see him cooking wings at his sponsored hole for our golfers! And as a leading sponsor, Bill, along with backing from his company, is engaged in every prominent fundraising event our chapter supports.

Role Model...

Bill's dedication to youth is unparalleled as he actively volunteers for our PINS 4 KIDS events each year to support Dream on 3 and their mission to afford kids with life-altering conditions their Sports Dreams!

Bill is the epitome of joy when we send these kids off to experience their dreams!

“Bill's exceptional leadership and insight have consistently guided our chapter towards success. His ability to offer profound insights into complex situations is truly commendable, making him a source of guidance and inspiration for all members. Beyond his insightful contributions, Bill's enthusiasm for our organization is unparalleled. He's always the first to recommend NARI to anyone he meets, showcasing his unwavering belief in the value our chapter brings.

In recognition of his unwavering dedication, outstanding leadership, and tireless efforts to promote our chapter, we wholeheartedly endorse Bill Green for this well-deserved recognition. His impact is undeniable, and his presence enriches our chapter in countless ways.”

Bill is a connector of people. NARI is his platform of choice!

“Bill is ready and willing to tackle any opportunity that comes his way. One year he had to step in last minute to run the CotY Awards when our executive director came down with unfortunate illness. Bill didn’t hesitate to take on the duties of the CotY Chair AND the executive director for this event. All while doing his normal day to day job.

Without Bill we would not have had a successful CotY event that year. Also, Bill is my uncle, and “Uncle Billy” is one rad dude!”

“Bill leads by example! He is ever-present at NARI events. You can always count on Bill to be there with a smile, words of encouragement, and a handshake (or hug!).”
