

NARI Green Remodeler Education Program

NARI National will start another series of the Green Remodeling Education Programs. This program will consist of 12 weekly 2-hour “meetings”, conducted via Webinar*. The Green Remodeling Education Program will consist of 16 topics related to green and sustainable remodeling, including:

Basic Building Science
 Indoor Environmental Quality
 Deconstruction
 Foundation
 Framing
 Roofing
 Insulation
 HVAC

Electrical
 Renewable Energy
 Appliances
 Plumbing
 Exterior Finishes
 Interior Materials and Finishes
 Landscaping
 Marketing

The course is designed to provide you with a solid foundation in Green Remodeling and to allow you to start practicing today.

The primary texts included as part of the course materials are *Residential Energy* by John Krigger and Chris Dorsi and *Green Remodeling* by David Johnston and Kim Masters. In addition, a CD-ROM will be provided that will contain “REGREEN Remodeling Guidelines” by ASID and USGBC and will be used as a reference text as well as links to green product suppliers.

The cost of this program will be \$495 for NARI Members and \$695 for Non-Members. Course size will be limited to 20 connections to enable active participation by all attendees. **Enrollment is now open** for this program. Just a reminder, this is a NARI Education Program, not a NARI Certification program.

Below is the start time for the June 8th program and the August 20th program. **Please note, the times are different for the two programs.**
