

2017 GREATER OMAHA CHAPTER COMMUNITY SERVICE PROJECT

Each year, the Greater Omaha NARI chapter dedicated its time and resources to the Omaha community to give back to a much needed remodeling cause. After working with an inner-city boxing club in 2016, our chapter saw the massive continued restoration needs of this facility. With dedication to continue to support this amazing program, Omaha NARI continued with more updates and repairs again this year.

The NARI members gathered on Friday, October 13th and donated a full day in order to provide facility updates for the South Omaha Victory Youth Boxing Club, as part of their continued commitment to give back to the Omaha Metro Community. All labor and costs were provided by Omaha NARI members.

The project was led by the NARI Community Service Committee, Chris Kudlucz, Contractors Siding, Window & Roofing Supply and David Benson of Superior Home Improvement, LLC.
