Certification

DESERVED RECOGNITION

NARI Certifications were developed to recognize highly experienced remodeling professionals, capable of planning and managing complex remodeling projects to client approval.

Certified professionals are an elite group of industry experts who possess extensive technical and management skills that set them apart as capable remodeling professionals.

INDUSTRY DRIVEN

NARI Certification standards and exam questions were developed by leading remodeling experts, skilled in technical and management best practices. NARI Certification is governed by the volunteer-led Certification Board.

CERTIFICATION PROCESS

NARI Certification is a robust and challenging process, reserved for those remodeling professionals who demonstrate extensive expertise in their field and pass the rigorous screening and testing process.

“Having the certification embodies the level of professionalism I want to represent and validates that I have taken those steps to represent myself at a higher level and it really sets me apart from the competition.”

– Paul Hamtil, CR,
President of Hamtil Construction, LLC
