**JOB OPPORTUNITIES**

All trades are hiring—you can pick from many fields.

**FOCUS + DIRECTION**

Trade schools offer specialized skills training through small class sizes and hands-on learning you won’t find until you graduate from a 4-year program.

**FLEXIBLE LEARNING**

Many trade programs offer night, weekend and online classes for certifications, and many employers help pay for trade school while you work.

**INDUSTRY CONNECTIONS**

Most industry professionals partner with local trade schools through job placement programs.
