

REACH A
HIGHER
STANDARD

AS A **NARI ACCREDITED**
REMODELING COMPANY

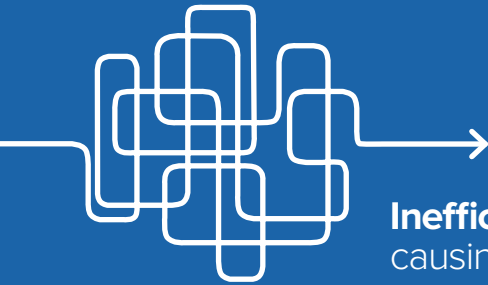

WHAT KEEPS YOU UP AT NIGHT?

How to **stand out** in a crowded marketplace?

Having to **share the spotlight** with unqualified companies?

Inefficient processes and procedures causing a higher demand on management's time?

Need operational improvements to offset **rising labor and material costs**?

ALL OF THE ABOVE?

DESIGNED
by the industry
for the industry

FOREMOST INDUSTRY STANDARD

Based on the first and only management standard outlining the essential characteristics of successful, quality, customer-focused remodeling companies.

Developed through a consensus-based process by industry experts and successful remodeling business owners.

START TODAY AT [NARI.ORG/ARC](https://nari.org/arc)

Whether planning for growth or succession,

the high standards of NARI Accreditation can provide the management toolkit to reach the next stage.

PURSuing NARI ACCREDITATION WILL:

Help growing companies develop the management systems necessary to reach the next level and support future growth.

...

Assist business owners preparing for retirement to ready the company to pass on to the next generation and set your legacy up for success.

...

Make your company more attractive to prospective buyers by helping you implement a solid management framework.

PURSUE
NARI ACCREDITATION
TO:

PLAN your roadmap for increased profitability.

ESTABLISH a continuous improvement process.

SAVE money and time through operational improvements.

VALIDATE your company's professionalism and assure prospective clients it has been vetted by an independent third party for compliance with THE industry standard.

ELEVATE your company's profile in a crowded marketplace and position it as an elite business.

Start your **NARI ACCREDITATION** today
at **NARI.ORG/ARC**
and take your business to the next level.

IMPROVE your company's business systems.

“**NARI Accreditation** has helped us to not only differentiate our business, but set a higher standard for the industry. We live to exceed expectations for every client, and we value our NARI Accreditation as a reflection of that commitment.”
